

Dear Friends,

Did you know that today is Vocations Sunday? You may think that has nothing to do with you – but it does! A vocation may be defined as a role, or a task to which you feel called by God. For some, that means a whole career. Like being a teacher, a nurse, charitable sector, a priest. For many it's a call to run a children's group, like the vision to set up the Toddler Group, or Liz's call to start "Little Angels". It may be a weekly task, like keeping the church grounds tidy or to serve as a leader in our church, like being a church warden. You may not think of admin as a calling, but if the nudge feels rooted in God, it is! So, on this vocations Sunday, just wonder if God may be nudging you and calling you. If he is, have a chat!! Rev Preb Sharon

## Finding the best in the world

It's Somerset day on Saturday, 11 May. It is an opportunity to profile some of the delights of our county and develop relationships across our communities. It is on this day that we remember Alfred (a failed 'Bake Off' contestant?) taking on the Vikings from the Somerset marshes and winning, thus spawning a 'make Somerset great again' moment.

Now, don't get me wrong, this isn't about us in Somerset trying to prove we are better than anyone else. We have seen plenty in recent days which has sought to divide rather than unite us as a country. Rather, this is an opportunity to value the uniqueness of some of our wonderful people, places and possibilities here in Somerset and across the diocese. I do hope you will join in! See [www.somersetday.com](http://www.somersetday.com) for more details.

And surely that is what the Church should be about too. Celebrating all that is good, joyful and abundant in us. It reminds me of those words from Philipians 4:8...

'Whatever is true, whatever is honourable, whatever is just, whatever is pure, whatever is pleasing, whatever is commendable, if there is any excellence and if there is anything worthy of praise, think about these things.'

It is so easy to get caught up with negatives, with the glass half empty syndrome, with stuff that brings us down rather than building us up. I wonder if we might make this month one where we encourage ourselves and others to find the best in the world and people around us. Live life in all its fullness! (*John 10:10*)

Rt Rev Ruth Worsley

Bishop of Taunton
